

**STOP  
VEOLIA  
NOW!**

**OPPOSE THE PROPOSED  
WASTE TRANSFER &  
FUEL PRODUCTION FACILITY  
ON LONG LEYS ROAD.**

**Your community needs you  
to stop Veolia now!**

The date that the planning application will be decided is **Monday 6th February**. Don't assume that your voice and actions won't count because they will.

You can still oppose Veolia's plans to build a waste plant in our Urban Village by;

1. Attending the **Veolia Public Meeting** at the Grandstand this **Thurs 26th January at 5pm**
2. Displaying an 'Oppose Veolia' poster (on reverse) at your house and/or in your car, and getting a poster board (see details below)
3. Attending the **Council Planning Hearing** at the Alive Church, 22 Newland. LN1 1XD on **Mon 6th February at 10.45am**. Aim to arrive at 10.30am as the meeting will start promptly.

Veolia has set up their public meeting 10 days before the planning meeting. **This is your last chance to voice your concerns** and ask questions about noise, smell, traffic issues, 12m high buildings and the many comments online about Veolias history in other areas of poor community relationships. **Do please attend the public meeting at the Grandstand on Thursday at 5pm!**

Poster boards for your garden will be available soon from Emma for a small donation. Please contact [emmaot1@outlook.com](mailto:emmaot1@outlook.com) should you wish to order one, these will be delivered and fitted for you.

**GET INVOLVED. EVERY VOICE COUNTS!**
